Black and Decker BDSM400 Sonic Distance Measurer and Sensor

The Black & Decker BDSM400 Sonic Distance Measurer and 3-in-1 Sensor tool performs distance measurements and basic calculations with ease. Its "point and read" distance measurements save time and effort and eliminate the hassle of writing down measurements. Also included is a soft bag, a NEW 9-volt battery, and a pivoting head that makes work in tight places easier. Has an accuracy of +/- 1 inch over 40 feet.
